Declaration of Consent

I hereby acknowledge that my provider, **Jennifer Johnson, APRN**, has advised me of and explained the following (check off as each item is discussed):

- I understand the proposed compounded product is not approved by FDA and consequently may be associated with greater risk. This product has not undergone rigorous testing for efficacy and stability.
- I understand the reasons for utilizing the compounded product, its potential risks and benefits, other alternative treatment(s) and the probable consequences, which may occur if the proposed medication is not administered.
- I understand the risks associated with handling the product.

My questions have been answered, I have read or had explained to me and fully understand the information on this form and declare that I agree that the compounded product as described above is appropriate for myself. This consent is valid until I revoke it or conditions change to the point that all risks and benefits are significantly different.
